## Happy New Year Poem

“What can be said in New Year rhymes?  
That’s not been said a thousand times?  
The New Year’s come, the old years go,  
We know we dream, we dream we know.  
We rise up laughing with the light,  
We lie down weeping with the night.  
We hug the world until it stings,  
We curse it then and sigh for wings.  
We live, we love, we woo, we wed,  
We wreath our prides, we sheet our dead.  
We laugh, we weep, we hope, we fear,  
And that’s the burden of a year.”
