25 Jan – 31 Jan 2016

If you have an article, reference or any newsworthy exposé please forward to Nelly (musirinofa@ukzn.ac.za)

NEW BIostatISTICS CONSULTATION PLATFORM/MODEL FOR COLLEGE OF HEALTH SCIENCES FROM 2016

The College of Health Sciences will be launching a new online booking system for biostatistics consultations for the staff and students in the College of Health Sciences (via this link: <http://my.setmore.com/bookingpage/f3dbcb01-8d3d-4a3f-880a-0029c5273367>) – with full start up from Monday 18 January 2016.

Note appointments can only be made via the online booking system and not directly with the consultants to avoid any issues/double bookings. Please include a short description of the purpose/requirements of the meeting in the booking form (under “Comments”). We will be placing the condition that PG students wishing to make an appointment for a consultation must first complete the first of the online biostats modules via UKZN learn (Introductory Biostatistics, Part I: <http://learn.ukzn.ac.za/course/view.php?id=45356>). Given that this is a new system this condition will not be enforced in the first semester of this year but from the second semester no PG student will be able to make an appointment if they have not completed the first online biostats module prior to trying to make an appointment. Supervisors: Please make sure your students are aware of this.

Enquiries: Professor Benn Sartorius,
Email: Sartorius@ukzn.ac.za
Telephone: (0) 31 260 4459

DEPARTMENTAL NOTICE

All supernumeraries please note that you need to renew your HPSC on your own. It is not the responsibility of either the department or Postgrad office.
