Closing date: 13 May 2016

UPGRADE AND MIGRATION OF THE UKZN WEBSITE

We are proud to announce the revamp of the UKZN website and migration to Microsoft's SharePoint 2013 platform, which will 'Go Live' on Saturday 14 May 2016. The new website design is user-friendly, responsive to various screen sizes and mobile devices and employs the latest trends in displaying news, events, research, notable alumni, open access as well as integrates social media. The Web Management team together with the Web Administrators within Colleges will thereafter begin the project of migrating all departmental sub-sites to the SharePoint 2013 platform. **This process will be carried out on a site by site basis starting with the Colleges, Schools, Disciplines, Centers and Support Departments. Users will be notified accordingly as each site is migrated to SharePoint.** Please note that all sites that are currently on SiteFinity version 3.7 will be migrated automatically using a custom developed migration application, whereas the remaining sites will be carried out manually. Relevant training on the new website will be provided by the Corporate Relations' Web Unit on an individual and/or group basis with access to customized training manuals. The Web Management team webmaster@ukzn.ac.za would appreciate receipt of your comments and suggestions on the new website up until **31 May 2016. Due to various technical aspects needed to be taken into account during the launch, the main University website will be offline between 09h00 and 14h00 on 14 May 2016.** Corporate Relations apologizes for any inconvenience that might take place during this period.

PMB SASA CME 2016

Date: 21 May 2016

Venue: Protea Hotel, Hilton, KZN

Time: 07:45 – 14:00

Tel: 033-8973413/4

Email: colette.govender@kznhealth.gov.za

COMMUNITY BASED TRAINING IN A PRIMARY HEALTH CARE MODEL WORKSHOP

Date: 13 June 2016

Time: 09:00 – 16:00

Venue: K1, KRITH Tower Building, NRMSM Campus, UKZN

The management of KZN DOH and the CHS, UKZN wish to invite you to a consultative workshop to provide an update on, and share in, the planning and implementation of CBTPHM. The workshop will provide the latest information on Decentralized Clinical Training (DCT) planning and will provide interactive opportunities to voice concerns and guide the process of implementation. It will be important for all relevant members of management, which include Hospital CEOs and Senior Managers, Academic Leaders and key stakeholder representatives to attend this important meeting to ensure that we can work together to implement DCT. A detailed agenda for the workshop will follow in due course.

Please RSVP to Shirley Ferguson fergusos@ukzn.ac.za
