RESEARCH OFFICE NOTICE CALL FOR SUBMISSION OF UNCLAIMED PRODUCTIVITY SUPPORT GRANT (RPSG)

Did you miss the deadline for submitting your signed RPSG letter? If yes, this notice is meant for you!

If you have an unclaimed **RPSG letter** (the letter from the Research Office confirming your Productivity Units and the resulting amount that is available to be transferred to your cost centre), you now have a once-off reprieve period that extends until noon on **29 July 2016** to sign the letter and submit it to the Research Office for payment. This reprieve is being implemented in response to queries from a few staff members who inadvertently missed previous deadlines. Since it is important that deadlines need to be respected, this reprieve will not be repeated. To take up this opportunity, submit the unclaimed **RPSG letters by noon on Friday, 29 July 2016** to Productivity@ukzn.ac.za. Please ensure that the letter is signed with the cost centre code filled in. Please note that submissions received after noon on 29 July 2016 will not be considered.

APPLICATIONS FOR RESEARCH DEVELOPMENT EQUIPMENT FOR 2016

The Research Office has not yet sent out a call for the 2016 Research Development Equipment (RDE). However, it is inevitable that the call will come and it will have tight deadlines. In order to prepare us better for the across college competition, UKZN is initiating the application process for CHS now. The deadlines set below may slightly be adjusted when the call is released, but it is not likely to negatively affect us if we start working on the documents. I am particularly encouraging emerging researchers as the call gives preference to this particular group.

Please find the tentative timelines below. Any changes to the timelines will be announced well in advance.

Activity	Timeline
College Announcement of Call	23 May 2016
Submission to schools ALR	ALR deadline
Submission to CDR	30 July 2016
College Ranking	TBA
College submission to URO	URO deadline
