If you have an article, reference or any newsworthy exposé please forward to Lizzy (Ndelul@ukzn.ac.za)

Congratulations

to **Dr Eudonia Swart** who won the poster prize at the PACSA conference last weekend. The judges commented on the high quality of her research and that she was the unanimous choice to win. Her topic was “Induction behaviour and race and its association with postoperative agitation in paediatric elective surgery”. This should encourage all other registrars to present their M.Med research at National conferences. Well done Odie!
