15 Apr	Final day for withdrawal from a module (cancel & adding of modules)
11 Mar	Final day for submission of Progress Reports and HPCSA Forms

MEPI GRANT WRITING AND MANAGEMENT WORKSHOP 7 – 8 APRIL 2016

The UKZN MEPI Programme in conjunction with MEPI-RESCAP at the School of Applied Human Sciences is offering thirty (30) sponsorships to UKZN research administrators/staff and PhD students to attend a general grant writing & grant management workshop.

The aim of this workshop is to provide training and allow researchers and research administrators to improve their understanding of funding opportunities, application process, budgeting, management of awards, and reporting. The workshop programme will be circulated before the conference.

Dates: 7-8 April 2016

Duration: 09h00-16h30

Venue: Hilton Hotel, Durban

Please note that accommodation (reserved for applicants residing outside of Durban), meals and conference attendance will be covered in the sponsorship. Please note that you will be responsible for travel to and from the venue. You will be required to attend the workshop with a Laptop or similar device.

Who should apply?

Applications are invited from UKZN research administrators, staff and PhD students who are currently writing and/or managing grants or plan to write/apply for/manage grants in the foreseeable future.

HONORARY/CLINICAL STAFF OF UKZN

All Honorary staff of the University must regularly login into the University's email system. It is vital that you login as you will miss out on important notices which is sent to UKZN email addresses e.g productivity letters from the Research Office.

DIPLOMA IN ANAESTHESIOLOGY OSCE WORKSHOP MARCH 2016

The DA Weekend Workshop is a UKZN Dept. of Anaesthesiology & Critical Care initiative, which is one component of the 6 month DA tutorial program. The **aim** of the workshop is to assist candidates.

Gain knowledge to improve their clinical skills and decision-making

1. Apply their knowledge to the OSCE format of the exam.

Specialist anesthetists from the Durban region will provide interactive tutorials on the topics listed below. This is to supplement knowledge and skills already acquired from consultant-based in-theatre training, which is core to DA is training and assessment.
