ATTENTION REGISTRARS FMM PRESENTATIONS

It is that time of the year again.... Requests for FMM 2020 will open soon! As a reminder; it is a discipline requirement for all registrars to deliver at least four (4) presentations during their training. This will consist of:

- At least two FMM seminars, usually starting from the 4th semester of training (i.e. the second half of year 2)
- One pre-research 15 min presentation (i.e. before submission to postgrad)
- One post-research 15 min presentation (i.e. upon completion of MMed)
- Two dedicated research slots will be available for presentation of protocols: 5 June 2020 and 20 November 2020
- The onus is on the registrar to inform the FMM co-ordinator as to when he/she will be presenting
- If a registrar is unable to present at this time, then a 15 min slot will be allocated at another time

PLEASE REFER TO THE REGISTRAR HANDBOOK AVAILABLE ON THE DEPARTMENT WEBSITE FOR MORE DETAILED GUIDELINES. All requests for the FMM 2020 Roster must be made via email to Camy singhc@ukzn.ac.za and myself sailujan@yahoo.co.uk from 08H00 ON 7 OCTOBER 2019 TO 16H00 ON 21 OCTOBER 2019, after which no further requests will be granted. The onus is then upon individuals to arrange any desired swaps. Provisional allocations for the year will be completed by 4 Nov 2019. A confirmed program will then be publicized by 30 November 2019.
