04 January 2019 – 10 February 2019

If you have an article, reference or any newsworthy expose please forward to Londiwe Cebekhulu cebekhuluL@ukzn.ac.za

REGISTRARS NOTICE

All registrars please make sure that you are registered with the postgrad office at the 4th floor, room 410.

Congratulations to Dr. Lavinia Naidoo and her husband on the birth of their baby girl.

CONGRATULATIONS

Dr Krynaw for receiving the Hymie Samson Medal for 2018 for the excellent results in the Physics and Clinical Measurement Section in the FCA (SA) Part I examination of the College of Anaesthetists. Congratulations on this excellent achievement.

FAREWELL TO MBALI

Mbali started working as a research assistant in the perioperative research office at IALCH in March 2012. This has meant she has been one of the stable factors in the office during many changes over the years. One of her biggest assets is that she is very personable, and as a result it is certain that the study patients are going to miss her. We would like to thank Mbali for her commitment and contribution to the research group. We wish her well for the future and everything of the best in her new job at the MRC.

DEPARTMENT RELOCATION

The Anaesthesiology Discipline has relocated to the 5th floor, room 504 due to aircon refurbishments. We are still contactable via email and our telephone extensions.
