DATE OF FCA II OSCE EXAM FOR SS2019

OSCE exam for the FCA Part II for SS2019 will be held on the 10th and 11th October in Durban.

The examination acceptance letter being sent to candidates from the CMSA is a generic letter with dates that do not apply to the FCA Part 2. The CMSA has put a notice on the CMSA website indicating the correct exam dates - it is however not very easy to find.

MEPA COURSE FOR REGISTRARS

The MEPA course will take place at the SMART Centre at IALCH Saturday, 13th July 2019.

Closing date: please apply ASAP.

Please email an informal application to Dr C Kampik: kampik@ukzn.ac.za

Preference will be given to registrars who are in their Paeds Anaesthetic rotation or have finished it. Other interested doctors are welcome to apply and will be considered if the course is not full.

The maximum number of candidates is ten per course

CMSA EXAMINATIONS REMINDER TO REGISTER

Online applications system for The Colleges of Medicine of South Africa examinations will be open until 31 May 2019 at midnight. Office assistance will only be available during office hours on week days.

Please apply for your examination timeously. Submit applications with proof of payment. The system will direct you to the EFT/Credit Card system before being allowed to submit your application. Lack of genuine proof of payment being loaded will result in your application being deleted from the system. All candidates are still subject to the rules of and closing dates for examination applications
