DATE OF FCA II OSCE EXAM FOR SS2019

OSCE exam for the FCA Part II for SS2019 will be held on the 10th and 11th October in Durban.

The examination acceptance letter being sent to candidates from the CMSA is a generic letter with dates that do not apply to the FCA Part 2. The CMSA has put a notice on the CMSA website indicating the correct exam dates - it is however not very easy to find.
