## SASA 2021 CONGRESS CANCELLED

The SASA Executive Committee and the Local Organising Committee of Congress 2021 have, after extensive discussion, decided to postpone Congress 2021. The decision to postpone was a really difficult one that was taken neither lightly nor impulsively. The SASA 2021 calendar is being planned to make sure there are ample opportunities to safely get together socially and professionally.

Congress 2022 will be hosted by the KZN branch of SASA. We are confident that the 2022 programme will more than make up for the disappointment of the postponement. SASA are investigating innovative platforms, an exciting, engaging programme, guest speakers, fantastic new ways (alongside the old) for presentations, and creative networking possibilities.
