MEPA COURSE (MANAGING EMERGENCIES IN PAEDIATRIC ANAESTHESIA) SATURDAY, 24TH FEBRUARY 2024

The SMART Centre of the Dpt. of Anaesthetics at IALCH is offering this full-day Paediatric High Fidelity Simulation Workshop for Anaesthesia providers on Saturday, 24th of February 2024.

MEPA is a very 'hands on' simulation workshop evolving around emergencies in Paediatric Anaesthesia. It was designed for any Anaesthesia provider caring for Paediatric patients, frequently or occasionally, and will improve your technical and non-technical skills during the management of potentially devastating emergencies encountered in the peri-operative care of our children.

Allocations will be made on a 'first come-first serve' basis and the course is free of charge. Tea and lunch will be provided by the Department.

If you would like to participate as a candidate, please email Dr Christian

Kampik (kampik@ukzn.ac.za) for a booking.
