SCM CONFERENCE FUNDING 2024

Please take note of the below:

- Approval is subject to the availability of funds and on a first come first serve basis
- The applicant must complete all sections and supply all the supporting documentation by the stipulated deadline
- An applicant may not receive funding two years in a row to ensure a degree of fair and equitable distribution
- To qualify, the applicant must be presenting a paper. Evidence must be provided of acceptance upon submission of the application.
- **A maximum of R10,000 will be awarded for domestic travel, and a maximum of R20,000 for international travel per person**
- The use of the funds must be in accordance with UKZN Financial policies and procedures and be directed through the School Finance Office. Before incurring any expenditure, please engage with the School Finance Office via scmtravel@ukzn.ac.za
- **Pre-approval is essential, i.e., that you have gone ahead and incurred expenses before approval is granted will not be a factor in our decision, and you will have to accept the risk that you may not be reimbursed**
- There will be no transfer of funds to another cost center. For audit purposes, expenditure has to take place against the School cost center. The only exception to this is the payment of the registration fee.
- Funds have to be **spent before 30 November** of the year in which the award is made. There will be NO carryover of funding from one year to the next.
- Should an applicant be awarded, for example, R10,000 and only use R8,000, the balance of R2,000 will be reallocated by the School to assist another applicant
- Successful applicants will be required to submit an abstract to the College of Health Sciences Research Symposium and participate in the event if

selected. Further information concerning this will be provided in the award letter.

- Feedback on the congress proceedings must be presented to the relevant department within three months of your return and evidence of such feedback (e.g., a letter from HOD/discipline academic coordinator confirming feedback) to be submitted to: scm_conf_fund@ukzn.ac.za

Applications are welcome for all types of conferences.

DISTRICT ANAESTHESIA EDUCATION: SAFE OBSTETRIC SPINALS

The next online teaching session is happening on Tuesday the 12th March. The topic will be:

Safe Obstetric Spinals

This topic has been covered before, but many people have requested it and it must cover some of the basics again at the start of the year. Prof Bishop will be doing a General Anaesthesia revision in April, and then covering aspects of regional blocks in May, which has also been requested.

Please send other topics if you feel they are needed.

The zoom link for next Tuesday is below:

When: 12 Mar

Time: 07:45
