INVITATION TO PARTICIPATE IN THE AWARE STUDY

Dr van der Merwe from Wits is conducting an MMed study looking at the wellness of anaesthesia trainees across South Africa.

The questionnaire is entirely anonymous as no personal identifiers are required. The questionnaire will only take 10 minutes of your time.

Please consider assisting him in completing the questionnaire as this will greatly help to inform various institutions on the current mental wellness profile and help to direct measures to improve where **link:** <https://redcap.core.wits.ac.za/redcap/surveys/?s=EXKC438ND4M4HH49>
